December 09th 2020

Dear Sir or Madam,

In the course of DUT Multimedia and Internet professions, WEB specialization, I aspire to find an internship in web development. Even though I do not yet have any concrete experiences in companies, I have nevertheless developed many personal and group projects during the training. Do not hesitate to consult my portfolio on my website: <https://crunellejennyfer.github.io/Portfolio/> or directly on my GitHub profile: <https://github.com/CrunelleJennyfer>.

The technologies I used to develop my project called Mini_fb are exactly the same as those used in your company. I created the back end part using PHP. For MySerie use of SQL and use of HTML and CSS for my portfolio.

I am particularly interested in your business thanks to its innovative positioning in the market, as well as your. I would like to know more about the different projects on which I would be involved to work.

I am available at your convenience to present my background and give you details of my professional project in person. In the meantime, you will find attached my CV.

I am looking forward to hearing from you.

Sincerely,

CRUNELLE Jennyfer
2ND YEAR STUDENT DUT MMI
